

Home Grown Fun &  
Farm Fresh Adventures  
For Over 11 Years!

## Fall 2011 Schedule of Events

The 2011 Pumpkin Season is HERE!

Our farm has been bustling with activity the past few weeks, and we are excited to share the bounty of fall with you and your family. With tons of activities and new adventures, your family is sure to have a spectacular time at Renyer's Pumpkin Farm.

We are so excited and proud of our newly constructed barn for everyone to enjoy. Finally we have a designated spot for my gift shop - no more giving up my garage every fall!!!! One of the best features will be our new restrooms - I think the kids will really think they are special!!!! Come see for yourself. Also the new building will be big enough to hold special events, family reunions, birthday parties, weddings, classes, and much much more!!!

Our maze will also feature a FUN and EXCITING new game for everyone - it's called finger funnies - I think both young and old alike are going to enjoy this one - it's sure to create a few aood laahs!!!

### Lots of stuff to do at the pumpkin patch!
